

Pelham Active Transportation Committee

Trail Etiquette

- Always pass on the left when possible
- Do not litter
- Leave the trails cleaner than when you arrived
- Respect the privacy of those living along the trails
- No motorized vehicles
- Dogs must be leashed. Please clean up after your dog
- In areas where the trail crosses a roadway, all trail traffic must yield to the vehicular traffic.
- When travelling along the roadway, pedestrians are required to use the municipal sidewalk or travel on the shoulder of the road facing on coming traffic.
- Under no circumstances should anyone traverse the Canadian National Railway mainline

About Us

Enhance the quality of life for residents and visitors in the Town of Pelham by providing a connected, attractive and convenient active transportation system that offers a high degree of comfort and safety, expands recreation options and encourages sustainable modes of transportation, respects the natural scenic character and supports economic development.

GERRY BERKHOUT TRAIL

998 Church Street, Fenwick
Centennial Park Entrance

Trail Information

- Gerry Berkhout Trail runs from Murdoch Road to the edge of Centennial Park
6km in length
- Gravel path with low elevation
- Parking is available at Centennial Park

About Berkhout

Gerry Berkhout is a former Town Councillor, current Fonthill Lions member, previous Citizen of the year, and a member of the Royal Canadian Legion. This trail was an old Hamilton, Toronto, Buffalo rail line that the Town had purchased for \$1, redeveloped by the Town over the last three years. Gerry has been passionate about opening up the area for the public to experience its natural beauty.
