Test Session

Prior to the Committee of Adjustment hearing, participants are required to take part in a test Zoom session with Town staff. Testing will cover the audio and video quality of the participant's device; reviewing the process for participants to join the meeting; and reviewing the presentation process.

The test session will be held on the Monday prior to the meeting. The test session should take less than 15 minutes to complete. Note: other members of the public may be in the same test session. The Secretary-Treasurer or Assistant Secretary Treasurer will contact you via email with your test session information.

Participant Process During Meetings

- Participants are required to join the meeting 15 minutes in advance of the start time for the Hearing.
- Participants are responsible for ensuring their background is free from offensive or vulgar material. If inappropriate material is visible you will be removed from the meeting.
- Vulgar or offensive language / comments will not be tolerated. If inappropriate language is used you will be removed from the meeting.
- Participants' microphones will remain off until they are called to speak.
- Once your comments have been heard by the Committee of Adjustment, your microphone will again be muted. Once voting on the item has taken place, participants will be removed from the meeting completely.
- Once removed from the Hearing, you can visit the Town's YouTube if you wish to continue watching the meeting.

Technical Difficulties During Hearings

- Beyond the mandatory training session, Town staff will **not** provide technical assistance for participants before or during Hearings.
- If a participant's connection to the meeting fails during the Hearing, Town Staff will attempt to make reasonable efforts to re-establish connection for a period of 5 minutes. If the connection cannot be re-established within 5 minutes, the comments received up to that point will be included as part of the official record and the hearing will continue.
- If a participant is not present when called upon by the Chair three times, the participant will be considered absent and the hearing will continue without the participant.
- If, in the Chair's opinion, a participant's audio / video is not of an acceptable quality, the Chair may require the participant to use the dial-in option or may defer the application until a regular hearing can be held.
